

MOMS or DADS!!

Are you interested in children's health?

Is your child age 1 year
to 5 years old?

WE WANT TO HEAR FROM YOU!

The American Academy of Pediatrics is talking
with parents about new ways to
provide child health information to families.

*Groups will meet in your local community
(libraries, recreation centers, etc) and
will last approximately 90 minutes*

Participants can receive \$50 for their time
